Healthy living sounds great, but how many of us can actually balance all the necessary foods to have a well-balanced diet? NuBliss has found an easy answer to an age old dilemma of how to get all the nutrition the body needs without all the guesswork. The answer is LIQUID MULTI-VITAMIN SHOTS™!

Busy families hardly have the time to figure out what vitamins they need or the correct dosages required. LIQUID MULTI-VITAMIN SHOTS™ by NuBliss takes the fuss out of measuring and puts everything you need in a quick, pre-measured, drinkable shot. Just as easy to drink on "the go", LIQUID MULTI-VITAMIN SHOTS™ far surpass traditional vitamin supplements because they not only combine all the benefits of healthy eating, with the convenience of a quick sip, but has a much higher absorption rate than pills and capsules provide.

"It's great that there are so many choices of supplements on the market, but MultiVitamin Shots not only taste good but are great on the go!"

— Tom Ball
dad of 2 teenagers

With 23 vitamins and minerals, LIQUID MULTI-VITAMIN SHOTS™ also incorporates Omega-3's, Acai and Green Tea to maximize the antioxidants our bodies need to stay healthy.

OMEGA 3

The benefits of omega-3s include reducing the risk of heart disease and stroke while helping to reduce symptoms of hypertension, depression, attention deficit hyperactivity disorder (ADHD), joint pain and other rheumatoid problems, as well as certain skin ailments. Some research has even shown that omega-3s can boost the immune system and help protect us from an array of illnesses including Alzheimer's disease. (WebMD)

ACAI

Acai contains anthocyanins and flavonoids which are powerful antioxidants that help defend the body against life's stressors. They also play a role in the body's cell protection system.

GREEN TEA

This extract has numerous benefits for a wide-variety of infirmities besides being a great antioxidant.
