The instant bit change and storage system saves time & eliminates lost bits.

Comfortable solid handles provide maximum torque.

Precision machined aircraft alloy shafts ensure positive torque transfer and years of heavy use.

Strong magnetic bit holders retain working bits securely.

Lifetime Guaranteed!

Extra length 3" powerbits allow extended reach; bits are universal 1/4" Hex & ideal for powerdriving.

Picquic's unique solid handle design not only stores the bits within the handle but instantly releases them without the risk of dropping or losing even one!

The professional quality power bits are longer, making them easier to handle, more convenient and more versatile for homeowners and pros alike.

There are eight models of drivers, five may be ordered custom loaded.

FireHawk stocks more than 50 spare bits from Picquic:

- Slotted

- Phillips

- Allen SAE

Allen Metric

- Torx

- Torx Security

- PoziDriv

- TriWing

- Square Drive

- Clutch

- Schrader

With so many bits in stock, ordering the custom-loaded screwdriver with exactly what you use is a snap.

Plus, we ship your custom order within 24 hours!

Picquics are made in North America and have a lifetime warranty!
